

INTRODUCING: The new copyright.com

Copyright.com has been redesigned to make it easier than ever to get the copyright permission you need.

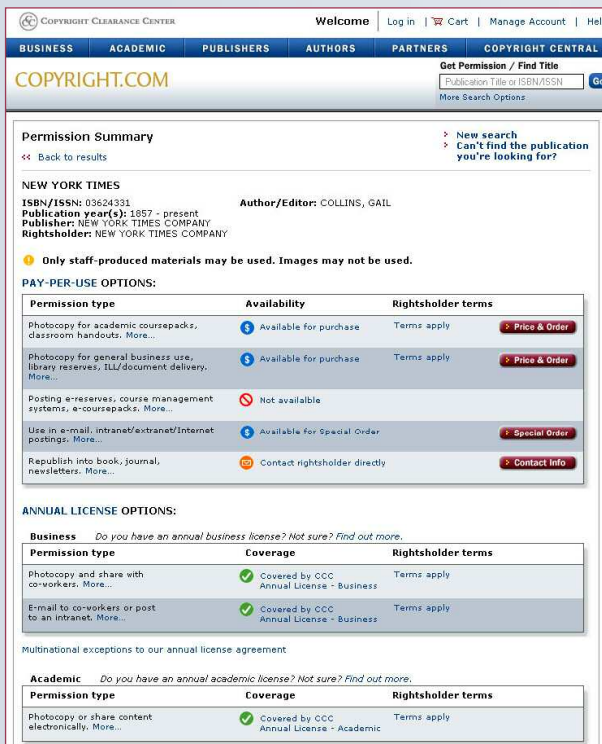

Key enhancements include:

- A redesigned Home page
- New Search and Order Process
- Improved Order Management capabilities

On the new HOME page you'll find:

A new design, based on the most frequently used areas of copyright.com; a new navigation bar with drop down menus; and Copyright Central, the place to go for all things copyright.

With the new Search and Order Process you can:

- Conduct a direct search from the top of every page. You can also log in, manage your account and view your shopping cart.
- Find a publication and quickly determine reuse pricing and availability, without logging in.
- See all of the permission types available for a publication on a single screen with the new Permissions Summary page.
- Breeze through the check-out process. You can purchase permission to reuse multiple publications at the same time, select your payment method—including credit cards, review your order and print/review your order confirmation.

Improved Order Management Capabilities allow you to:

- Review all your orders—opened and closed.
- Search and sort orders by title, order number, start of academic term or order date.
- Retrieve and resubmit orders for subsequent semesters and adjust quantities prior to billing—a must have feature for academic customers.

The screenshot displays the Copyright Clearance Center (CCC) website interface. At the top, there is a navigation bar with the CCC logo, the text 'COPYRIGHT CLEARANCE CENTER', and a 'Welcome' message. To the right of the welcome message are links for 'Log in', 'Cart', 'Manage Account', and 'Help'. Below this is a secondary navigation bar with tabs for 'BUSINESS', 'ACADEMIC', 'PUBLISHERS', 'AUTHORS', 'PARTNERS', and 'COPYRIGHT CENTRAL'. The main header area features the 'COPYRIGHT.COM' logo and a search box labeled 'Get Permission / Find Title' with a 'Go' button. Below the header is the 'Order History' section, which includes tabs for 'View Orders' and 'View Order Details'. The 'View Orders' tab is active, showing a search bar with 'Confirmation Number' as the search criteria and a 'Go' button. Below the search bar, there are sorting options: 'Sort orders by: Order date' with a dropdown arrow, and radio buttons for 'Ascending' and 'Descending'. The results are displayed in a table-like format with two entries. The first entry has a 'CONFIRMATION #' of 1290074 and an 'Order Date' of 12/24/06. It lists '4 item(s): NEW YORK TIMES, WALL STREET JOURNAL...' and provides details for 'University/Institution: State University', 'Start of term: 1/28/07', 'Course name: Economics II', 'Course number: ECO 201', 'Number of students: 15', 'Instructor: John Smith', 'Your reference: Spring coursepack', 'Accounting reference: Economics Dept', and 'Order entered by: Lisa Jones'. The second entry has a 'CONFIRMATION #' of 1293478 and an 'Order Date' of 11/12/06, listing '2 item(s): Newsweek, Strategic Management Review'. Each entry has links for 'View order', 'Edit', and 'Copy order'.

THE NEW, STREAMLINED **SEARCH AND ORDER PROCESS** ALLOWS YOU TO QUICKLY FIND AND PURCHASE THE PERMISSIONS YOU NEED.

To conduct a search, simply:

1. Enter the name of a publication or an ISBN or ISSN number in the search box conveniently located on every page.
2. Review all the rights available for the title you have selected on the Permission Summary page. If your company has an Annual Copyright License with CCC, you need only to verify coverage under your license and you're done.
3. Purchase permission. Select the type of permission you need and tell us how you plan to use the material. With the new Search and Order process, this information is entered only once. And you can get a price quote without logging in.
4. Confirm your price and add the order to your shopping cart.
5. Select your type of payment. You can pay by credit card or we'll send you an invoice.
6. Review your order, print your confirmation and license terms and conditions, and you're done!

Discover the difference.
